Webinar: "Best Practices for inclusive training, career pathways and workplaces in Private Security"

The Confederation of European Security Services (CoESS) and UNI Europa are delighted to invite you to the upcoming EU Social Partner webinar on "Best Practices for inclusive training, career pathways and workplaces in Private Security", taking place on

04 April 2022
09:00 - 13:00 CET

The event includes different sessions, focusing on the following topics:

- job orientation and integration of vulnerable employee groups
- inclusive and qualitative training
- workplace policies supporting diversity

The webinar is part of the EU-funded Social Partner Project on "INTEL: Skills Intelligence for the Private Security Services", featuring speakers from the EU Institutions, companies and Sectoral Social Partners from all over Europe.

The aim is to exchange best practices and to discuss employment change in the private security sector, including implications for public security and training frameworks.
